Draft Board Gets Ready To Register Men 45 To 64

All That Age Group To Sign Up Saturday, Sunday or Monday

To bolster the fighting and occupational power of the United States Army via the selective service system, Daly City Draft Board No. 103 will register all men between the ages of 45 to 64 years of age on Saturday, Sunday, and Monday.

An anticipated three thousand men will register over the week-end in the fourth registration for selective service. Following the same procedure as the third registration which was held in February when over two thousand men were registered, Dr. J. C. McGovern, local draft board chairman, stated that the board will again be divided into five territories. The territories include Daly City, Colma, South San Francisco, Brisbane, and Sharp Park.

Men who are required to register in the coming registration are those born on or after April 28, 1877 and on or before February 16, 1897. Men who live in Daly City will register at the selective service headquarters on the second floor of the city hall, 75 Wellington avenue, while those who reside in the Colma area will sign up at the Colma firehouse. Call For Volunteers For Ambulance Corps

Recruiting of women for service in the Women's Ambulance Defense Corps of America was introduced in Daly City this week, after it was announced by Mrs. Jennie Borelli, 6654 Mission street, recruiting officer for the organization. She explained that volunteers are needed for immediate duty.

With approximately 3500 members in the state, there is still an urgent need for 500 more women. Under close supervision of the United States Army, the organization is strictly military with regular army drills for all members. With headquarters located in the Ferry building in San Francisco, the Women's Ambulance Defense Corps, in one of their chief details, maintain fully equipped first aid stations along the waterfront in army piers.

Local recruiting headquarters are at the Cut 'N Kurl Beauty Salon, 6654 Mission street. Anyone interested in applying may do so at that address or by contacting Mrs. Borelli at the telephone, Randolph 0292. All women between the ages of 18 to 44 are eligible to apply.

Board Allocates $1146.25 To Daly City

Allocation of $1,179,199.75 to California cities and counties as their share of the alcoholic beverage license fees earned during the last half of 1941, was announced, this week, by George R. Reilly, first district member of the State Board of Equalization.

Of the $21,035 to be distributed in San Mateo county, $1,146.25 will go to Daly City, and $8,168.75 to the unincorporated area on the basis of actual licenses issued.

The allocation to local governmental units represents one-half of the $2,358,399.51 in alcoholic beverage license fees earned by the board during the six-month period ended December 31, 1941. The State's share goes into the general fund.

Reilly pointed out that with the current distribution, cities and counties throughout the State will have received a total of $20,550,945.01 from liquor license fees since the repeal of prohibition. This huge sum has been collected and distributed by the board at no cost to the cities and counties.

Runaways Are Just Too Frequent

Ho hum! Monotonous, isn't it? Two more runaway cars in Daly City over the week-end. Really, the situation is actually getting as serious as it was in the "good old days" when Dobbin used to get excited about something or other and take off on a dead lope down the road with nobody at the reins.

The first driverless runaway car accident of the current series occurred, early Saturday morning, when a machine owned by Richard Opperman, 468 San Diego avenue, rolled downhill, over the curb and off an eight foot embankment.

Parked on Mission street just north of the Westlake intersection, the car picked up momentum on the way downhill and crashed through the fence railing. After police investigated, the wrecked automobile was taken to the Daly City Garage, where the car was proclaimed a total loss, the entire frame having been mangled beyond repair.

Having borrowed the machine, Leonard Miller, 453 San Diego avenue, parked it behind his own car, and, as he was driving away with his own car, the Opperman machine started to roll downhill and off the embankment.

The other driverless accident happened, Sunday afternoon, when a machine, apparently parked in front of Edwards Drug store, 6272 Mission street, rolled across San Jose avenue striking an automobile parked on the north side of Mission street next

Schools Get Set To Handle Sugar Rationing

Two Registrations Are Scheduled For Daly City

Final instructions were issued this week for the two sugar rationing registrations in Daly City. One will be for the wholesale and industrial consumers of the city. This will be held on Monday and Tuesday. The other one will list every man, woman, and child of the family unit during a four day period beginning Monday, May 4, and continuing through Thursday, May 7.

Two important meetings in San Mateo county are being attended this week by local school officials who are supervising the two registrations in the schools. James Ferguson, principal of Jefferson Union high school, attended a meeting yesterday in the office of Miss Pansy Jewett Abbott, county superintendent of schools, and it was announced that all industrial users and wholesalers of Daly City will be required to register at Jefferson Union high school on Monday and Tuesday beginning at 9 a. m.

To complete details for the registration of individual sugar users in the family unit during the following week, R. L. Crane jr., superintendent of the Jefferson Elementary School district, will confer today with Miss Abbott. Although there will be additional procedure for registrants when they come to the schools to

Defense Council Carries Out Drill

Civilian defense activity forged ahead in Daly City, last Wednesday, with an effective "supposition disaster" aid drill being carried out for the control board of the local defense organization. Actual emergency telephone communications were used for the first time.

Arthur J. Bodien, chairman of the Civilian Defense Council, expressed enthusiasm over the results of the drill, declaring that it was a great improvement over the last drill when the control system was demonstrated to sector heads. The entire Civilian Defense Council was on hand for the drill in addition to Mayor John J. Fahey sr. Manning the telephones and carrying messages were six volunteers for control board duty.

Cooperating with the civilian defense organization was the Daly City Police department. Numerous bombings and compli-

Red Cross Workshop Doubles Production

Production was doubled by Daly City Red Cross workers, this week, as the sewing workshop began a twelve hour per week schedule to meet the increased demand for more garments in the San Mateo county chapter.

With the arrival of more American refugees from the war zones to the Bay area, and the greater number of soldiers, sailors, and Marines, the local workshop's orders for garments have multiplied greatly. Mrs. Horace Fellows, town chairman of the Daly City chapter, has set a schedule for sewing on each Wednesday and Friday now. The workshop formerly operated only on Wednesday. Hours are from 10 a. m. to 4 p. m.

Two Hundred Jam Chambers To See New Board Formed

Rapsey Resigns Post As City Attorney; Bldg. Inspector Out

By BOB BAKER

Before a crowd of two hundred local spectators who overflowed the council chambers at the city hall, Monday night, Anthony J. Gaggero was elected by the new board of councilmen to serve as chairman of the board and mayor of Daly City, for the ensuing term of four years. He succeeds Mayor John J. Fahey sr.

Two major changes were made in city offices at Monday's meeting the vote for mayor. Rudolph A. Rapsey's official resignation from the office of city attorney, read at the meeting, was immediately followed by the appointment of Edward Hoffman as city attorney. Well-known locally and acquainted with the legal affairs of the city, Hoffman was former assistant city attorney in Daly City under J. D. McCurdy prior to 1936. Hoffman has also been active, legally, in San Mateo county.

The other major change in city departments was the removal of P. J. Kelly as city building inspector and the transfer of his duties to Arthur J. Bodien, superintendent of the Water department. The change was motivated by a motion from Councilman Eugene V. Lynch.

Appointment of municipal committees for the next term was laid over until the regular meeting, Monday, as was suggested by Councilman Edmund Cavagnaro.

Tuesday's adjourned meeting opened with the chairs being occupied by Councilmen Cavagnaro, Fahey, and the three outgoing councilmen, Paul G. Selmi, Julius Twesten, and Henry Sundermann sr. Official election returns from all precincts and the absentee ballots were tallied and announced by City Clerk Burt C. Ross. After a resolution was adopted authorizing the final election returns to be made official, City Clerk Ross declared the chairs vacant, and the newly formed city council took official chairs. Councilmen Lynch, Hugh Smith jr., and Anthony J. Gaggero occupied the vacancies left by the outgoing councilmen.

Following the election of Mayor Gaggero, three special resolutions, which were prepared by incoming officers, were read, commending the faithful service to public welfare of the community of each of the outgoing councilmen, Selmi, Twesten, and Sundermann. The resolutions author-

Henderson Urges Housewives To Join War Against Waste By Saving Tin Cans

"Housewives are the front line troops in the war against waste," said Leon Henderson, federal price administrator in a recent talk on the subject of conservation. Quoting him, R. L. Crane jr., Daly City Salvage Committee chairman stated, Tuesday, that now is the time for local housekeepers to enlist in this war.

A seemingly insignificant article in the kitchen of every housewife is the empty tin can. Yet there is an urgent demand for the tin can at present, since tin is one of the most vital war materials needed for production, and the present supply cannot be replaced until Japanese forces have been completely crushed.

Working as a unit with the San Mateo county committee, the tin drive got under way in Daly City last week with the appointment of a committee to launch the campaign. Crane was selected as chairman and cooperating with him on the committee are Mrs. Ethel Dorn and Frank Coughlin.

Two sources of receiving collections have been introduced in the campaign. The three grammar schools will be used as collection centers, and the other source of collection is the service stations in the community.

In the schools, the teachers will notify the pupils of the day to bring the tin that has been collected at home to school as soon as a city truck has been obtained for the purpose.

To eliminate hardship for the pupils in carrying the tin cans to school every day, Crane stated that the committee plans to set a specified day each week for the pupils to bring the tin cans. Parents can turn over their tin can collection to the children.

For the purpose of those housekeepers who do not have children in the local grammar schools, service stations throughout the city have been designated as the place to deposit tin can collections. The salvage truck from San Mateo county will pick up the tin at the service stations. Any local station serves as a collection center.

Local Schools Meet Daylight Alert With Calm Good Sense, Avoid Panic

While the San Francisco school system found considerable difficulty in Thursday's daylight air raid alert and some confusion was reported in San Mateo county schools, Daly City schools, in cooperation with the Daly City Police department, witnessed no trouble in responding to the alert signal.

Acting on the recommendation of the Office of Civilian Defense, neither the Jefferson Union high school nor the Jefferson Elementary School district sent pupils home during the fifteen minute alert. The signal came at 9:58 a. m. and the local police department notified the schools. The all clear was signalled at 10:13 a. m.

Prior to the alarm, R. L. Crane jr., superintendent of the grammar schools, issued to all three schools full instructions from the national OCD.

Crane, after Thursday's alarm, reiterated the fact that local school children will not be sent home in case of an air raid, as, not only is it contrary to national rules for civilian defense, but it is considered a more practical step, locally, to keep the children in the school building. Many of the children, it was pointed out, live some distance from the school, and it would involve considerable time on the open street between the time that the pupil departed from the school until home was reached.

Also, Crane made an appeal to parents to cooperate with the schools in the matter of driving to school to pick up children in case of an air raid. Such a procedure on the part of a number of the parents, Crane demonstrated, would result in probable traffic jams, and blocked roads. All the school buildings in the entire Jefferson district are equipped with ample space for air raid shelter, which is even more protected than the majority of residences.

At the high school, Principal James Ferguson announced that high school students will also remain in the school building in case any bombs drop, since the

OPENS AT DALY CITY THEATRE TONIGHT

ONE MAN'S UNDYING COURAGE is the thrilling theme of "They Died With Their Boots On," story of General Custer. Errol Flynn stars as that famous American hero in the film which opens tonight at the Daly City theatre.

Epic Film Opens At D. C. Theatre

Next attraction at the Daly City theatre, starting tonight, will be "They Died With Their Boots On," latest in the exciting films of the old west to take its place on the impressive list of Warner Brothers productions which uses that colorful era for its setting. This picture stars Errol Flynn as General George Custer, telling the story of his life from the time of his entry to West Point until his memorable stand at the battle of Little Big Horn. All the tense drama and romance in his exciting life is captured in this epic film.

The role of Custer is tailored to Flynn's measure. Custer had an unsuppressible love for gallantry, color, and most of all adventure. It was his love for gallantry that made him a Civil War hero; and his love for adventure that caused him to blaze a trail of victory in the Indian warfare of the 1870's.

Charming Olivia de Havilland is co-starred with Flynn in the role of Beth Custer, his lovely wife who admired her husband's deeds but never lost track of the constant danger he faced. And indeed danger dogged his every step. After the Civil War he was given command of the 7th Regiment, whose duty it was to keep order in the Dakota territories.

At The District Grammar Schools

At Crocker

Richard Vaughn, Room 1 pupil, has been confined to his home because of illness.

Three new students, Lillian Forest, Roberta Miller, and Ramona Petty, have joined the pupils of Room 1.

Showing the history and development of the art of writing and paper-making, a film, entitled "World of Paper," was presented to the students in Room 2.

Miriam Miller, formerly of San Francisco, is a new student in Room 3.

Jack Bailey, Room 4, and his sister, Laurie Lou Bailey, Room 2, transferred to Live Oak school in Santa Cruz.

At Woodrow

"Buenos Dias, Mon amigos!" With this greeting a colorful Pan-American Day program was introduced at Woodrow Wilson school by Esther Morgan, mistress of ceremonies.

America's Pan-American neighbors were portrayed at the program by students carrying the flags of all the countries. Esther Morgan gave an interesting talk on "The Purpose and Importance of the Pan-American Union." Another address was made by Claude Unselt who spoke on "Our Good Neighbor Policy."

Costumed in colorful serapes and carrying red roses, seven girls entertained in a program of Latin-American songs. The singing senioritas were: Mary Lee Lund, Lora Barghini, Betty Rivas, Hazel King, Charlotte Taylor, Virginia Marsh, and Janet Petersen.

Students who represented the Latin-American nations were: Gordon Cady, Robert Hyder, William Bernzott, Leroy Greenwood, Alfred Galliano, Shirley Miller, Robert Huntington, Louise Mjehovich, Eddie Gigli, Herbert Fensin, Richard Gamba, Shirley Chester, Margaret Morgan, Irene Gabriellini, Robert Grimes, Robert Cattaneo, Theresa DeLeon, Lorraine Sanders, Dianne Rigler, Beatrice Seidel, and Marilyn Mosman.

After doing its share in the Tin Drive's first call, Room 14 is getting ready for the next call with plenty of collections.

In their study on farming, Room 14 students are planting seeds of lettuce, chard, cabbage, and other plants for the purpose of transplanting them to the Victory Gardens.

Two students of Room 15, Frances Blahut and Mar Jean Rosenbaum, have been unable to attend school due to illness.

James Schultz recently resumed his classes after having been confined to his home with illness.

Room 12 pupils used their art period to make posters for Victory Gardens. This work was introduced in the study unit on farming.

Mrs. Merlo Entertains For Mary Siragusa

Mrs. L. Merlo, 57 Bale street, was hostess at a surprise bridal shower, Thursday, April 2. Honored guest at the affair was Miss Mary Siragusa, 94 Theta avenue.

Table and room decorations were all in pink and white. A beautiful white bridal cake was the table centerpiece.

The bride-to-be opened her many gifts before a group of over twenty friends and relatives.

Keep Water On Hand

Housewives of Daly City were admonished, this week, by Governor Culbert L. Olson, chairman of the State Council of Defense, that they should keep several large containers of water in their homes at all times, for instant use in the event of an enemy air raid.

"Do not wait until the air raid warning is sounded before filling your water receptacles—it may be too late," the council warned housewives.

At Jefferson Union High School

Music

Student body members were entertained in an assembly, Thursday, with a program of music, furnished by the Indians of Rhythm.

The entire band was in excellent playing condition, according to Howard Miguel, band leader. Outstanding number on the program was a hula dance by four girls and a boy. Those taking part in the dance were Lillian Altman, Lavern Ladesman, Gloria Tooth, Bernice Quick and Angelo Ditty.

Other specialty numbers included saxophone solos by Ray Frates and Kenny Hatt, trumpet solos by Tom Beeson and Bob Seiler.

Adding the finishing touches to the splendid program was the leading of the band by James Ferguson, principal, and Miguel playing the drums.

Just a few of the many engagements on the band's activity calendar include: public schools week, April 27; Junior prom, water pageant, and the senior ball.

Miguel has been trying for the past several weeks to receive permission from the Musicians union to put on a program at the Daly City theatre for the benefit of the Blood Bank. As yet the group has not received permission and so a date can't be set.

PREACHING MISSION

WEBB

The Preaching mission that is being held currently at the Grace Nazarene church, corner of Vista Grande and San Diego avenues, features Reverend G. F. Webb, described as a preacher with a dynamic message. He preaches the old time gospel without compromise, but in a spirit of love.

"You will enjoy these messages; to hear him once will make you want to hear him again. The public is invited to attend these services," said N. M. Lewis, pastor.

LIBERTY LIMERICKS

A teacher, explaining inflation,
Its after effects and causation,
Advised all her scholars
To save up their dollars
And buy bonds to safeguard the Nation.

Help teach the Japs a lesson! Put every dime and dollar you can into U. S. Defense Bonds and Stamps—every pay day.

JUNIORS

What do you know!—after months of silence the junior class of Jefferson fairly bursts forth this week with plans for a gala Junior prom.

High seniors should feel quite proud as they are to be the hononer guests that evening.

John Rerecich, junior president, announces plans are well under way to make this a grand affair.

Committee appointed by Rerecich includes: Frank Feno, chairman; Pat Helgeson, Dolores Mardecich, Tom Callan, Shirley Rice, Tillie Castro. Members of the stage crew will assist.

The dance will be sport and will be held sometime in May. The Indians of Rhythm will furnish the music.

EXECUTIVE BOARD

At the meeting of the executive board, last Tuesday, Herb Poddig and Zeffera Blandini were selected as the outstanding boy and girl in sports during the year 1941. Their names will be engraved on the cups in the trophy case in the gym. Two other girls who were close in the running for the outstanding girl sportster were Mary Falbo and Beatrice Putnam.

SENIORS

It was announced by Roy DeVincenzi, chairman of the Senior Jinx, that the date might have to be changed. The date will be announced at a later time. This change will also effect the Kids' Day.

Picture proofs were returned to the seniors, last week. Orders are being taken this week for the senior edition and the composite picture which will hang in the office.

Proudly looking on was her mother, Mrs. Julia Pyne McGrath, retired San Francisco school teacher, also a member of Mission parlor.

Einar Hansen Finalist In Tourney

Einar Hansen, 221 Hillcrest drive, Daly City golf star who was a finalist in the Alameda Commuters tourney was defeated for the championship, Sunday, on the Island City Municipal course by Eddie Fry, 16-year-old state junior crown winner.

Although Hansen's play in the first round of the match was marred by wild drives from the tee, he came back strong with a two under par record for the nine hole return. He continued his performance on the front nine during play in the afternoon by shooting par but Fry took advantage of his early lead by manitaining his score.

Both players gave a sparkling putting exhibition on the twelfth hole when Fry made an eagle putt and Hansen repeated with a putt from practically the same distance.

Schedule Sunday Baseball Games

Although all four baseball games at Marchbank and Jefferson fields were postponed, last week, because of wet grounds after Friday's heavy rainfall, games are scheduled for both diamonds, Sunday, according to Mrs. Marie Burton, director of the Daly City WPA Recreation department. All games are sponsored by the Recreation department.

Providing weather permits, the Longshoremen will play the Sacramento Muir Athletic club, a fast semi-pro nine which boasts a fine early season team. This game is set for 2:30 p. m. at Marchbank field. The Daly City Farralone Packers, managed by Charlie Norry, will play, Sunday, at the same diamond in an earlier game but the opponent has not yet been named.

At the Jefferson diamond, the Brisbane Merchants will go into action, but an opposing nine had not yet been booked, Tuesday, when Mrs. Burton was notified of the schedule by Al Erle, baseball booker.

to the Bank of America. After striking the parked car, the "runaway" went over the curb and struck the bank building. The runaway car belongs to John Hart, 146 Los Banos avenue, and the parked car which was struck is owned by Alexander Coutts, San Francisco.

After investigation by the Daly City Police department, Hart was arrested on a state vehicle charge—that of leaving a car unattended without first setting the brakes effectively.

Red Cross Workshop

(Continued from Page 1)

now being undertaken, Mrs. Julia Jordan, production chairman, expressed the fact that there was a greater need for both volunteers and sewing machines now than when the workshop opened. Although the county reports show that the workshop has already established a fine record in production, it was pointed out that more garments could be produced if there were more machines, since the time of many of the volunteers has been delayed while waiting to use the machines.

Sewing machine owners who wish to help the Red Cross by loaning machines are asked to call Mrs. Fellows at her residence, DElaware 4123, and the Red Cross will arrange to call for the machines.

Mrs. Fellows said that anyone who wishes to join the Red Cross workshop may register at the headquarters in the Daly City Theatre hall on the meeting days.

County Sponsors Tuberculin Skin Test

The San Mateo County Department of Public Health and Welfare is again sponsoring the "Tuberculin Skin Testing Program" in the high schools of the county. This program, which involves a skin test and any necessary "follow-up" diagnostic work, will be offered to all freshmen and seniors at Jefferson Union high school during the week of April 27.

The Tuberculin Skin Test is a simple skin test to find out whether or not the individual has come in contact with the germs of tuberculosis. The "Patch Test" is being used, which does away with the use of a needle.

School officials announced that no tests will be given without the written consent of parent or guardian. The consent cards, which will be handed out tomorrow, should be returned immediately to the school.

Officials stressed the point that should a test be positive, a letter will follow in explanation, and it is important to remember that a positive tuberculin skin test does not mean the individual has tuberculosis.

LOCAL SCHOOLS

(Continued from Page 1)

county school district set up rules for high schools in accord with the aforementioned OCD instructions. With the medical casualty station of the local Civilian Defense Council situated in the basement of the high school building, Jefferson affords an excellent air raid shelter for students. The basement of the building is constructed with re-inforced concrete, providing a strong defense.

Regular drills have been under way since the beginning of the emergency for all high school students. Most of the faculty have been trained in first aid.

Both elementary and high schools are represented on Daly City's Civilian Defense Council by Arthur H. Quirmbach, chemistry instructor at Jefferson high, who is chief air raid warden in the city and a member of the county council, and Crane, who is the head of first aid.

Safeway food ads make interesting reading. For one thing, they carry a message of thrift and savings . . . a matter in which everyone today is tremendously interested. They help to solve the daily problem of three meals and in-between snacks. They suggest seasonal needs and delicious dishes . . . mouth-watering combinations, such as thick slices of hot roast beef with seasoned pan gravy, baked potatoes dripping with rich golden butter, fragrant steaming coffee, hot apple pie and wedges of ripened cheese.

But, probably, the most important reason why you should read Safeway Ads is so you can take advantage of the consistent savings offered every week . . . every week of the year, by your Safeway store.

High School PTA Elects Officers

Mrs. Walter Lehigh, president of Jefferson Union High School P. T. A., called the regular meeting of the unit to order, last Wednesday, in the Little Theatre.

Final reports of the various activities of the group were read. Mrs. Joseph Becker gave a report of the last district meeting, held in Redwood City.

The nominating committee brought in their proposed group of officers for the coming year. These were approved and voted on.

New officers for the year 42-43 include: Mrs. Catherine Foreman, president; Mrs. Hazel Cassasa, vice-president; James Ferguson, honorary vice-president; Mrs. Martha Linden, treasurer; Mrs. Marie Gehrig, financial secretary; Mrs. Effie Andersen, auditor; Mrs. Stella Filarski, recording secretary; Mrs. Marie Snow, corresponding secretary; Mrs. Allene Lehigh, parliamentarian; Mrs. Ida Forest, historian.

Mrs. Lehigh and a group of seven members attended the Seventeenth District convention held in Burlingame, last Thursday. Those attending were Mrs. Becker, Mrs. Linden, Mrs. Foreman, Mrs. Marquis, Mrs. Snow, Mrs. Cavagnaro and Mrs. Pahlka.

Mrs. James Linden, whist chairman, announces that plans for their whist, April 30, are completed. She urges all members and friends to attend. Playing will start at 8:30 p. m. at Legion hall.

At the close of the meeting Oscar Busch, music instructor, presented a program with his chorus. Two selections enjoyed were "Ave Maria" and "Holy City."

Refreshments were then served in the cafeteria by the chairmen, Mrs. Nelson and Mrs. Thomey. During the social hour, Higgins of the three cities "Salvage for Victory" committee, presented some high-lights on the tin can drive.

Crocker PTA To Call Special Meeting Soon

Crocker P. T. A. had its regular meeting at the Crocker school, last Tuesday, preceded by a dessert luncheon. Very few members were present because of it being Election Day, and the election of officers was not completed. A special meeting will be held shortly to attend to this business. For the program, both the boys and girls glee clubs of Crocker school sang several numbers. Miss Mosconi played the piano and directed them.

Mrs. Olga Bordson, Mrs. Mildred Seiler, Mrs. Hazel Cassasa, Mrs. Eva Hobbs and Mrs. Marie Parodi represented Crocker at the Seventeenth district convention in Burlingame, last Thursday.

Meeting of the Sew and Sew club will be held at the home of Mrs. Virginia Davidson, 581 Hanover street, tomorrow. All members are invited to attend at 11 a. m. and bring sandwiches. The regular meeting of the executive board will follow the lunch.

Combatalade, second vice-president; Mrs. Faun Tuska, third vice-president; Mrs. E. C. Peck, fourth vice-president; Mrs. Lee H. Bissett, fifth vice-president; Catherine P. Benz, sixth vice-president and Mrs. Floyd C. Beach, seventh vice-president; Mrs. Fred Watts, recording secretary; Mrs. F. L. Knuepfer, financial secretary; Mrs. Edward Styskel, treasurer, and Mrs. C. Mrs. H. T. Grimes, newly-installed president of Bayshore P. T. A., today announced that the Dramatics club would start the casting for their first play of the term.

Casting will begin at 7:30 p. m. tomorrow evening, in the Bayshore school auditorium.

All persons interested in play acting have been cordially invited to attend. Mrs. Sarita Wagoner will be in charge of directing the play.

Californians will probably find themselves spending 20 per cent more for food in this first year of the war than they did during peacetime, says Miss Jean Warren, home management specialist in the University of California Agricultural Extension Service. The amount spent for automobile driving and upkeep will drop by about two-thirds, she predicts.

A Salad For Spring

By BETTY BARCLAY

In the Spring a housewife's fancy lightly turns to . . . SALADS. Naturally, salads are enjoyed the year 'round — but they are particularly popular as the weather becomes milder and the body requires less "fuel." So salute Spring with an inviting, healthful fruit salad.

Serve a service man a salad the next time he is on furlough and you will provide him with a rare treat. Those military men of ours receive good wholesome food, but of course Army cooks cannot take the time to prepare too many "fancy" dishes. Therefore, a "dainty" like the one below will be heartily welcomed. Incidentally, it will be appreciated by your family and your guests as well.

Orange Frosted Grape Salad

1 tablespoon gelatin
2 tablespoons cold water
½ cup orange juice, heated
¾ cup orange juice, unheated
¼ cup sugar
1 tablespoon lemon juice
1 cup orange pieces
¼ cup seedless grapes
½ cup sliced fresh peaches
Orange sections
Frosted grapes

Soften gelatin in water 5 minutes. Dissolve in the heated orange juice. Cool. Add the unheated orange juice, lemon juice and sugar. Chill. When slightly thickened add orange pieces, grapes and sliced peaches. Pour into individual molds; chill until firm. Unmold and garnish with orange sections and clusters of frosted grapes. (Dip bunches of grapes in slightly beaten egg white, then in granulated sugar. Spread on paper to dry.) Serve with Lemon Mayonnaise. (Serves 6.)

POPULATION INCREASE

Between the 1930 and 1940 census takings, the population of San Mateo county increased 44.4 per cent, but during the same period the number of children in elementary average daily attendance in the public schools of the county increased only 4 per cent, a study recently completed by California Taxpayers' association shows.

Mary Siragusa Bride Of G. Claus

Gowned in a lovely white satin bridal gown, popular Miss Mary Siragusa, 94 Theta avenue, became the bride of George Claus, Daly City, Saturday, April 11.

The wedding vows were exchanged at a 10 a. m. Nuptial Mass at Our Lady of Perpetual Help church.

The bride's gown was made with princess lines and leg o' mutton sleeves. A long tulle veil was attached to a crown of pearls. Her bridal bouquet was a spray of gardenias, bouvardia and orchids.

Miss Rose Siragusa attended her sister as maid-of-honor. She was dressed in an aquamarine gown fashioned with a tight bodice and large bouffant skirt. She carried an old-fashioned bouquet of peach roses. A matching tulle shoulder length veil covered her hair.

Bridesmaids at the ceremony were Miss Alice Forrest and Miss La Verne Merlo. The two attendants were gowned alike in pink dresses with large hoop skirts. Each carried a bouquet of pink carnations and baby roses. Headpieces, like the maid-of-honor's, were worn by the girls.

William Siragusa, father of the bride, gave his daughter's hand in marriage.

Both of the young people are well-known in this community where they attended local schools.

Louis Claus attended his brother as best man. Ushers were Paul Siragusa and Earl Claus.

Following the morning ceremony, a reception was held at the Lucky club for over fifty relatives and immediate friends.

The couple left on a two-weeks honeymoon in Oregon. Upon their return they will make their home in Daly City.

Mrs. Hanley Hostess To Woodrow Board

Mrs. Ida Hanley, 43 Woodrow street, was hostess to members of Woodrow Wilson P. T. A. executive board, last Tuesday.

Delicious refreshments were served at 12:30 p. m. with the regular business meeting following.

Delegates who attended the district meeting, last Thursday, at Burlingame included: Mrs. Ida Hanley, Mrs. Hazel Keagle, Mrs. Florence Hopman, Mrs. Hilda Heagney, Mrs. Elsie Hesseline. Alternates appointed were: Mrs. Martha Linden, Mrs. Emilie Mon Santo, Mrs. E. Sorg, Mrs. Julia Petersen.

The ladies decided to postpone their monthly luncheon whist from today to next Wednesday.

The party is scheduled to take place at the home of Mrs. Foreman, 35 Woodrow street. Mrs. Foreman announces that luncheon will be served between 12 and 1 p. m. with card playing following. Lovely prizes for each table have been procured.

Members of the board will assist Mrs. Foreman with the party arrangements.

A nationwide drive to save lard, bacon grease and other cooking fats is predicted by Miss Jean Warren, home management specialist in the University of California Agricultural Extension Service. The fats, she says, are needed for production of glycerine, a valuable ingredient of explosives.

Medical Corps at Camp Robinson.

Zacheo, after volunteering for duty with the local Civilian Defense Council, converted his delivery truck into an emergency ambulance, and it is ready to be used at any time.

"Right on its toes in the present emergency is Daly City, California," the Camp Robinson News account read,; "and Joe Zacheo, proprietor of a grocery store, was on the job when he converted his delivery truck into an ambulance ready for immediate use."

Lieutenant Reilly gave the story to the camp paper after his mother had sent a picture of Zacheo with his ambulance-truck. The picture was also used in the Camp Robinson News. In his card to Zacheo, he urged him to "keep up the good work at home as the boys are doing their best at camp."

Defense Council Carries Out Drill

(Continued from Page 1)

cations presented by them were mapped out by Arthur H. Quirmbach, chief air raid warden, who was stationed in the police department. When he had a problem ready, Desk Sergeant William P. Bolger and Joe Patten telephoned in to the control board of civilian defense the report which would be given by the air raid warden in case of an actual bombing.

After receiving the report of the "bombing," the control board went into action with each department head dispatching the necessary aid to the scene of the imaginary disaster. Some of Quirmbach's problems were a bombing near the Stockton Lumber Yard, 6100 Mission street with incendiary bombs falling, high explosives falling, and various types of bombings at points near the Relish Bakery, 6356 Mission street, and the Woodrow Wilson school on Santa Barbara avenue.

Following the drill, Bodien stated that there would be additional drills of the kind with a possible mass demonstration in the field which would include senior air raid wardens, auxiliary firemen, auxiliary police officers, first aid squads, demolition squads, and all branches of civilian defense.

Schools Get Set To Handle Sugar Rationing

(Continued from Page 1)

register, the local grammar school district office is sending out to all residents a preliminary blank to fill out, which asks for the name and a personal description of each member of the family, and the total amount of sugar that is owned by the family. Persons in the same household who are not members of the immediate family are also required to register. Crane estimated that 12,500 people would be registered in Daly City.

When the family registers at the grammar schools during the four day registration period, one member of the family may register for the entire family. Even the names of new born infants must be recorded.

On answering the questions regarding the amount of sugar that is in possession of the family, any false statements which are made will result in penalties of a $10,000 fine, ten years imprisonment or both.

Following the registration, a War Ration Book will be issued to every member of the family, and before any sugar can be purchased the buyer must present the War Ration Book which consists of a stamp for every purchase. Each member of a family unit or each individual, as the case may be, is allowed eight ounces of sugar per week. Hoarding of sugar will be avoided by detaching from the book one stamp for each pound per person over the normal supply of eight ounces per week. Anyone who is, previous to the time of application, in possession of an excess amount of sugar may sell the excess back to the local grocery store or to their neighbors or friends.

In addition to the sugar rationing, the parent-teacher associations of the three grammar schools will register all children of school age who wish to purchase identifiaction tags. A very nominal fee is charged for the tags, but it was emphasized by the school officials that this registration, unlike sugar rationing, is entirely voluntary.

Hours for the registration will appear in next week's issue of the Record.

Another Daly City municipal election has come and gone, with its attendant excitement and exchange of verbal blows from one side to the other. On the whole, however, it was a clean election devoted almost entirely to a frank and open discussion of the issues. The people have decided in a manner they must have been convinced was for their best interests.

Your three new councilmen are proud of the confidence you have expressed in them, and they are proud too of the fact that throughout this campaign they waged a fight devoid of personalities, and, as Abraham Lincoln would say "with malice toward none, and charity for all." We are cognizant of the great trust and responsibility you have reposed in us, and we shall endeavor always to be loyal to you and that trust.

Now that the election has passed, and the people have decided upon the principles they want carried out by their city council, our earnest plea is for unity among all factions. We are engaged now in a great struggle for the preservation of the American way of life, and only through unity of effort can we see that battle through to ultimate victory. Every community in this nation is vitally concerned, and each is a vital part of the whole striving to banish oppression and restore freedom and peace to all peoples throughout the world. If we work together nothing can keep us from achieving for our nation and our community the things we cherish so highly.

When we requested your support in this election we made no glowing promises of miracles to come, nor do we make any now. We do promise you that our very best effort will be devoted to your welfare and interests, and we will give the very best we have to this end. We need and must have your co-operation and confidence. With this we will go forward together for a greater and better Daly City.

We are sincerely grateful for the honor you have conferred upon us.

(Signed)

EUGENE V. LYNCH

Council Elects A. J. Gaggero Mayor

(Continued from Page 1)

ized the official recording into city proceedings and authorized that a copy be presented to each outgoing officer.

Representing the Daly City Fire department, Tom Callan presented Mayor Gaggero with a new gavel as a congratulatory token from the department.

After the changes in city personnel were effected by the new council, flowers were presented by August Conci to all the officers, including the outgoing and incoming councilmen and the two remaining officers. Short speeches by all the councilmen, followed.

In accepting the chair on the board of councilmen, Mayor Gaggero said:

"We, as untried officers in guiding the betterment and public welfare of Daly City, wish to thank the people for this opportunity to prove our worth.

"I want, especially to stress the fact to these outgoing members of Daly City's council that, from time to time, we will rely on their judgment. Their advice is based on years of service, and we will not only appreciate their advice but we will solicit it."

Hugh Smith jr., in expressing thanks to voters, said:

"I sincerely appreciate the honor which has been bestowed on me by the citizens of Daly City. I will try to live up to this honor by doing what I believe is just in representing the people of the community."

In thanking the citizens, Eugene V. Lynch said:

"I realize that there has been a confidence and trust placed in all of us, and we will try our utmost to make that confidence grow by dispensing the duties of the office to the best of our ability."

Relinquishing his office of mayor, Councilman Fahey assured the people of harmony in the board by saying:

"I'll cooperate with all members of this board 100 per cent, and I'm sure this board can function with that assurance to the people.

"There is no question about what has been done here in the past two years in the growth and development of the community with improvements in parks and playgrounds, and a number of other developments. I'm sure we can continue this improvement with all around cooperation from everyone."

Councilman Cavagnaro, in his short address, urged full support by meeting with department heads to discuss the affairs of the city.

"I want to congratulate you young men who have been elected to the board of councilmen. You'll find the city in a healthy condition, and I'm looking forward to more improvements in Daly City. I believe, for one thing, we can reduce our tax rate in the next year, since we are well supplied now with new equipment for the city."

The three outgoing members addressed the board and the audience with brief congratulatory notes to the new officers, thanked the citizens for their cooperation during past terms of office, and assured the new councilmen that they would enjoy working with Councilmen Fahey and Cavagnaro.

Messages of congratulation were given by a number of the city officials, including City Clerk Ross, Andrew P. Chesney, fire chief; James G. Reardon, police chief; Arthur J. Bodien, water superintendent. An address expressing appreciation to the board for his appointment was made by the new city attorney, Edward Hoffman.

Reading & Writing

By Edwin Seaver and Robin McKown

A lot of good books have been written by American foreign correspondents about their experiences abroad, but there have been almost none by European correspondents in America. An exception is the current Book-of-the-Month Club selection, "The Making of Tomorrow," by Raoul de Roussy de Sales.

De Sales came to America in 1932 as foreign correspondent for the newspaper Paris-Soir. He won a prize as the best correspondent of the year from the United States, which was a joke, his friends say, because there was no second best.

He is descended from French royalty on both sides of his family —the de Roussys and the de Sales, but he dropped the prefix "Count" to his name when he first came here, as he didn't think titles had any place in America. He also boasts an American grandmother. His most famous ancestor, Francois de Sales, was canonized the patron saint of journalists.

Tallest Hotel

The Waldorf-Astoria, New York city, which is 47 stories, is the tallest hotel in the United States. The Stevens, Chicago, with 3,000 rooms, is the largest.

An Apple a Day—

Every day eat an apple, a hard carrot or a stalk of celery and it will act as efficiently for cleansing the teeth as a brush and tooth paste, a California physician recommends.

Maintaining and Operating

For the fiscal year ending June 30, 1938, the total Panama canal expenses amounted to $12,648,594.48. The total earnings of the canal for that year amounted to $3,252,970.16.
